

WEST PHARMACEUTICAL SERVICES, INC.

BY YOUR SIDE FOR
A HEALTHIER WORLD

West is a leading provider of innovative, high-quality injectable solutions and services. As a trusted partner to established and emerging drug developers, West helps ensure the safe, effective containment and delivery of lifesaving and life-enhancing medicines for patients. We are guided by our core values of Passion for Customers, Leadership in Quality and One West team and these values underpin our purpose to improve patient's lives. With a century of experience, we work together with our customers to support patient health and fuel a brighter future with product innovation.

West works by the side of customers from concept to patient to develop products that promote the efficiency, reliability and safety of the world's pharmaceutical drug supply.

- **Stoppers and seals for injectable packaging systems:** help ensure drug compatibility and stability and protect drugs from environmental impact to help maintain quality and safety while also supporting operational efficiency.
- **Syringe and cartridge components:** enable a more consistent injection rate to help patients receive accurate dosing with their treatment regimens, minimize drug overfill and microbial contamination.
- **Self-injection systems:** offering innovative, patient-centric technologies that are easy to use, which have the potential to improve the self-injection experience for patients while mitigating risks.
- **Containment and delivery systems:** West's historical experience provides the knowledge and understanding the importance of selecting the correct packaging system with the patients' health, operational efficiency, drug compatibility and drug stability in mind.

WEST CONTRACT MANUFACTURING TEAM

is focused on serving the needs of healthcare companies by providing a single-source solution from product conceptualization through manufacturing and final packaging. West's team harnesses a powerful combination of innovation, technology, infrastructure and expertise to serve the pharmaceutical, medical and consumer industries. West contract manufacturing harnesses a powerful combination of innovation, technology, infrastructure and expertise to serve the pharmaceutical, medical and consumer industries. Along with more than 50 years of experience, we bring customers quality, safety and reliability in injection molding, contract assembly and finished packaging from our eight locations throughout North America and Europe.

WEST ANALYTICAL SERVICES: has a vast expertise and experience in extractables and leachables, particle analysis, container closure integrity, and performance and packaging/delivery systems among other methodologies. The team's understanding of materials and delivery systems and their compatibility with the drug product can assist customers in designing studies and in navigating the challenging and evolving regulatory landscape.

ENVIRONMENTAL, SOCIAL, AND GOVERNANCE (ESG)

As a company with the mission to improve patient lives, it stands to reason that we are equally committed to a sustained investment in creating a healthier environment. West believes that, as a global organization, we have a duty and obligation to contribute to building a healthier world and that each of us, working together, can make a difference. We strive to be stewards of a sustainable future by factoring environmental considerations into every aspect of our business. We believe that sustainable practices are directly related to sustainable economic performance and the creation of healthy communities.

A COMMITMENT TO QUALITY

An integral part of the healthcare industry, West is committed to delivering quality products that meet the exact product specifications and quality standards customers require and expect. This focus on quality includes excellence in manufacturing, scientific and technical expertise and management. A Patient-First Focus is part of West's DNA, and we take our responsibility to maintain patient safety very seriously. The slogan of "Every Dose, Every Time - 100% Commitment" is visible throughout West's manufacturing sites, a constant reminder of our commitment to quality.

A CARING CORPORATE CITIZEN

West has a long and distinguished history of giving back to our communities, and a commitment to philanthropy is embedded in all that we do. The Company contributes to a wide range of organizations working to improve our world. The Herman O. West Foundation, an independently managed 501 (c) (3) entity sponsored by West, is committed to giving to children with special needs in the areas and communities where West employees live and work. Additionally, the West without Borders employee-led fundraising campaign encourages active participation at every local West site.
